Numarası :

Konu: Simetri Etkinliği 4

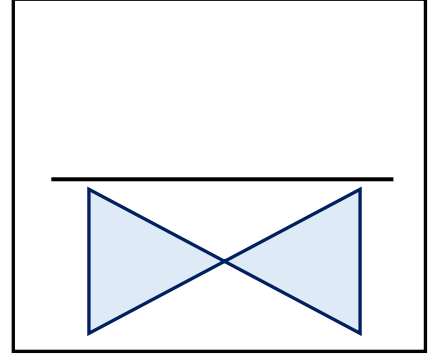

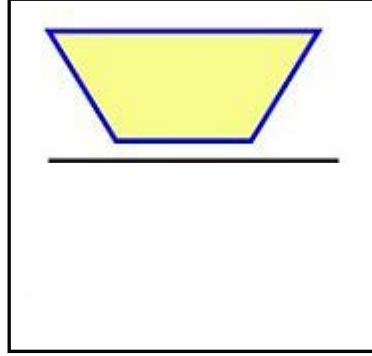

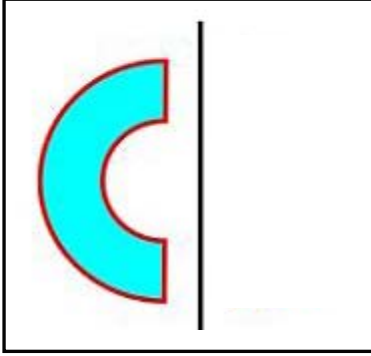

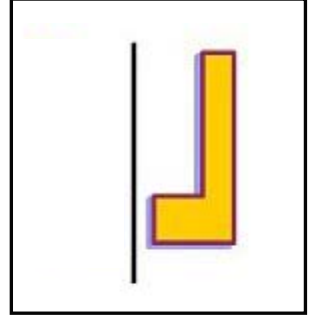

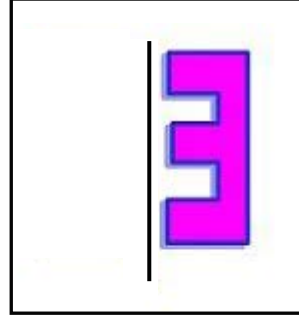

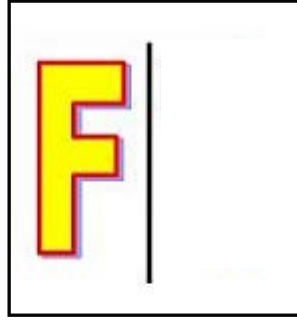

Aşağıdaki görsellerden uygun yerlere ayna yerleştirdiğimizde simetrik olanları işaretleyiniz.

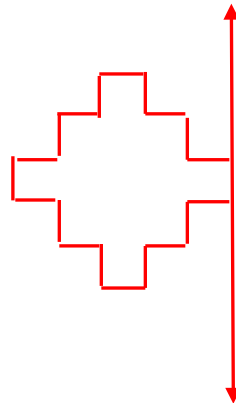

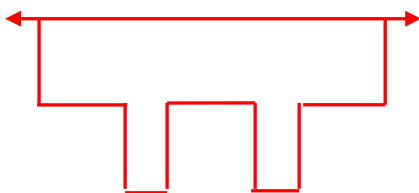

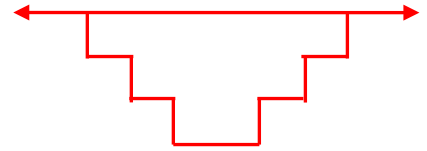

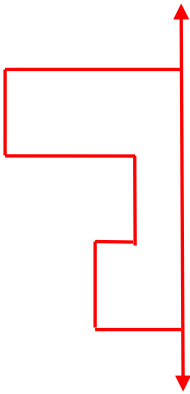

Aşağıda verilen şekillerin simetri doğrularını çizelim.

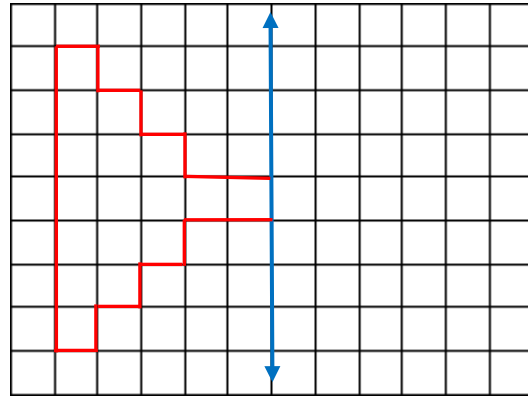

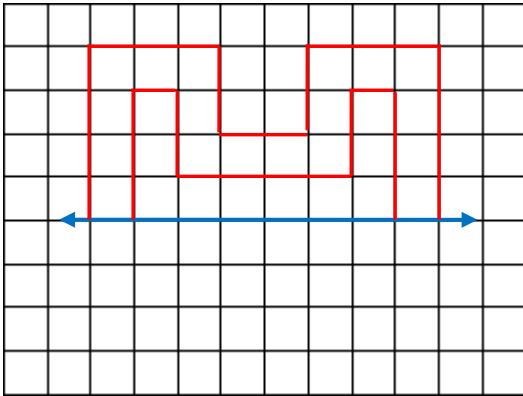

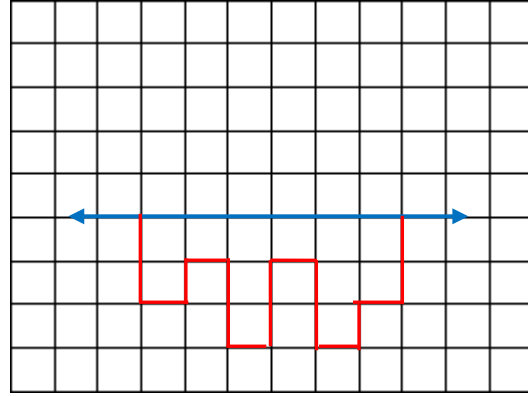

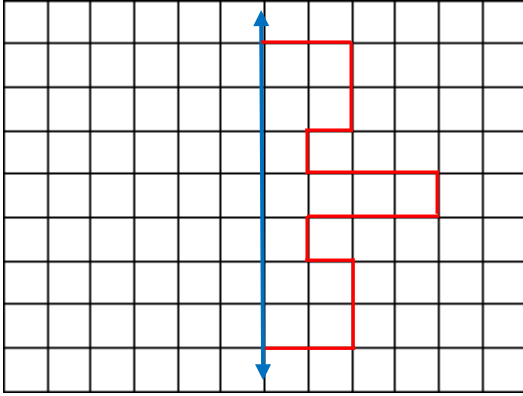

Aşağıda verilenlerin simetri doğrusuna göre örnekteki gibi simetriğini çizelim.

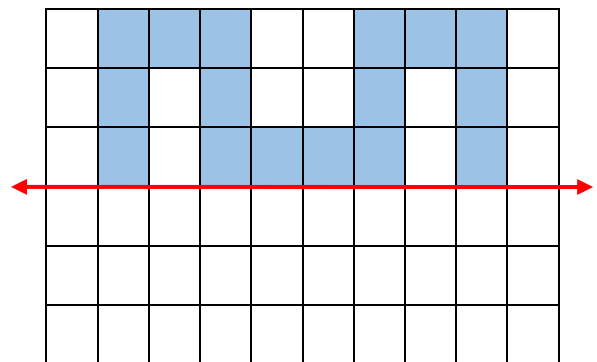

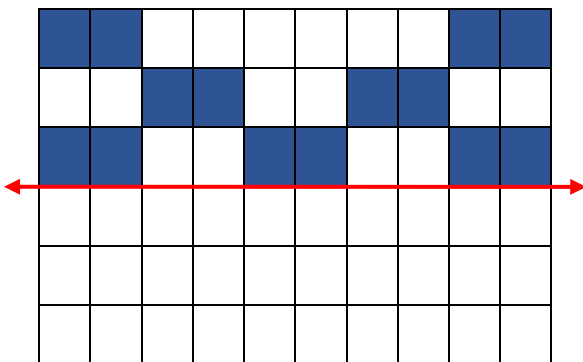

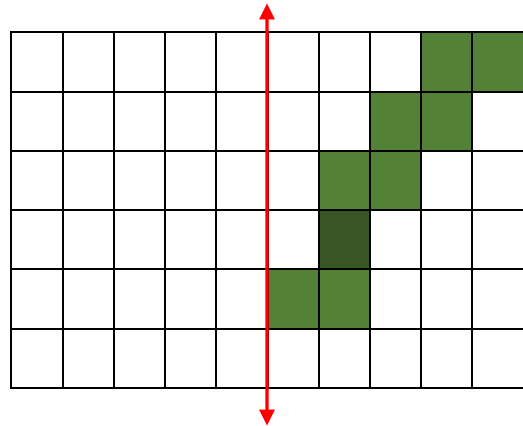

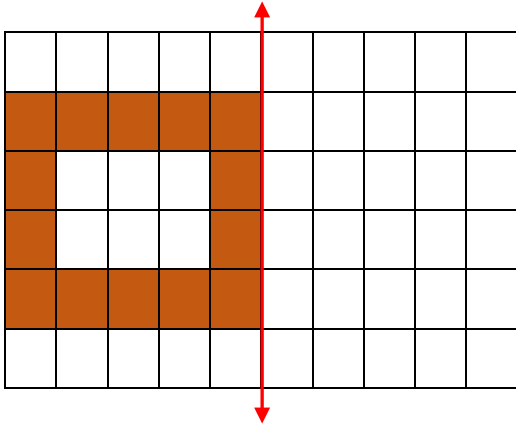

Aşağıdaki noktalı kağıtlarda verilen şekillerin simetriklerini verilen doğrulara göre çiziniz.

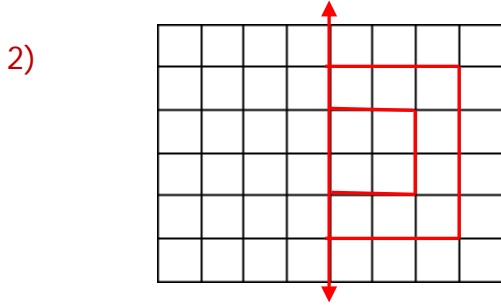

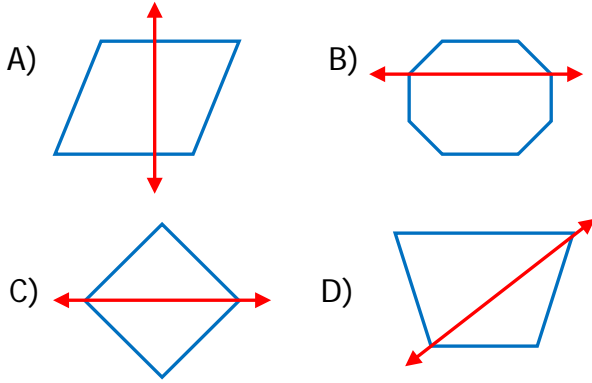

Aşağıdaki kareli kağıtlarda verilen şekillerin simetriklerini verilen doğrulara göre çizin.

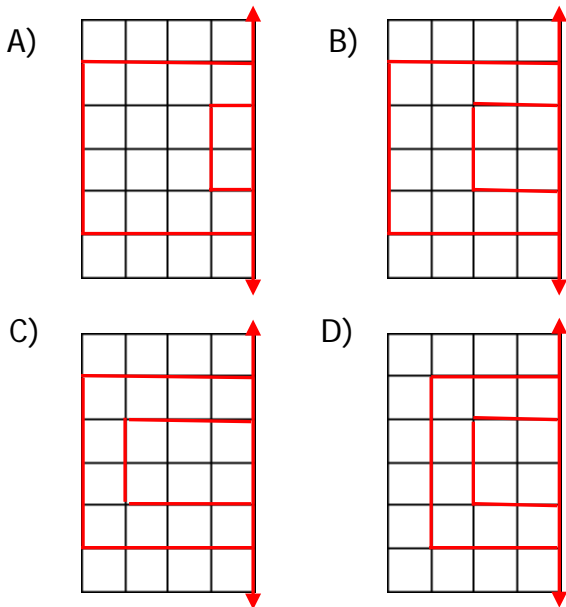

Aşağıdaki şekillerin verilen simetri doğrusuna göre simetriğini çizerek boyayalım.

1) Aşağıdakilerden hangisinin simetriği doğru çizilmiştir?

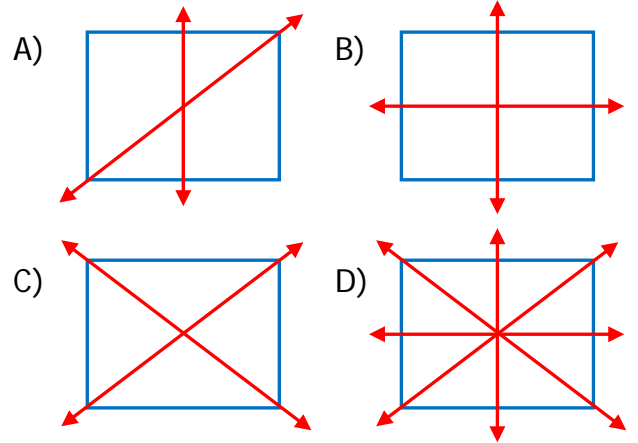

Yukarıdaki şeklin simetriği aşağıdakilerden hangisidir?

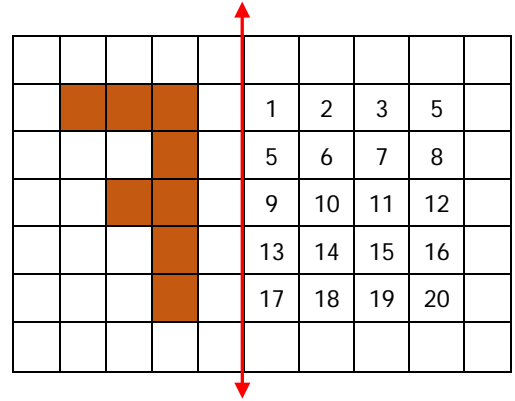

3) Aşağıdaki harflerin hangisine simetri doğrusu çizilemez?

4) Aşağıda verilen dikdörtgenin simetri doğrularının tamamı doğrudur çizilmiştir?

5)

Yukarıdaki şeklin verilen doğruya göre simetriğinin çizilebilmesi için hangi numaralar boyanmalıdır?

- A) 1, 2, 3, 7, 6 11, 15, 19
 B) 2, 6, 10, 14, 18, 3, 5, 11
 C) 1, 5, 9, 13, 17, 2, 3, 5, 10
 D) 2, 3, 5, 8, 12, 16, 20, 11

6) Aşağıdaki harflerden hangisinin verilen doğruya göre simetriği yine aynıdır?
