AĞAÇSIZ VATAN OLMAZ

- Yaprak 🌿 → Ağacın nefes aldığı yerdir. İnsan için temiz hava üretir.
- Meyve 🍎 → Bize besin ve vitamin verir.
- Gölge 🌳 → Yazın serinlememiz için doğal bir şemsiye gibidir.
- Hava 🌬️ → Ağacın ürettiği oksijen, insanların yaşaması için en gerekli şeydir.
- Barınak 🐦 → Kuşlara, böcekler için yuva olur; insanlara da ev yapımında malzeme sağlar.
- Çiçek 🌸 → Doğaya güzellik ve koku katar, arılara besin olur.
- Tohum 🌱 → Yeni ağaçların doğmasını sağlar, geleceği temsil eder.
- Kâğıt 📖 → Kitap, defter ve yazı için bize malzeme sağlar, öğrenmemize yardımcı olur.
